

CONSENT-BASED SITING PUBLIC MEETING

CHICAGO, ILLINOIS

U.S. DEPARTMENT OF
ENERGY

WHERE

University of Chicago, Gleacher Center
450 North Cityfront Plaza Drive
Chicago, IL 60611

WHAT

The purpose of the meeting is to hear from the public and interested stakeholders on what matters to you as the Department moves forward with developing a consent-based process for siting facilities needed to manage spent nuclear fuel and high-level radioactive waste.

WHEN

March 29, 2016. An informal open house/poster session begins at noon. The formal meeting begins at 1 PM and ends at 5:30 PM. The Department will remain until 6 PM for a second open house.
